

FLAI

Fonte
Luminosa
Autonoma
Itinerante

Acronym of

Fonte Luminosa Autonoma
Itinerante. (Itinerant and
Autonomous Light Source)

It is a manifesto about the freedom to personally experience either indoor and outdoor lighting. A philosophy presented by Diomedea and designed by the creative duo MAIS Project.

FLAI is a concept of contemporary itinerant light, it expresses domestic nomadism. The user is nomad and demanding, he does not want limits, he does not have a fixed seat but he wants to be well served.

FLAI is a versatile, free and portable light. FLAI does not lead to the discovery of a place but to the re-discovery of a space.
