
Cilindretto - Surface Mounted

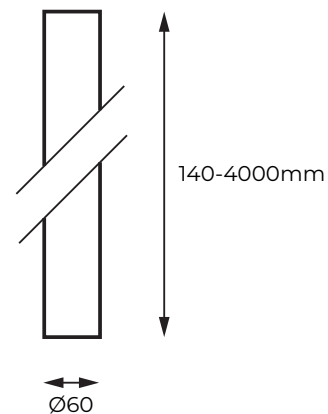

Cilindretto is a minimal, cylindrical LED fitting designed and manufactured in Australia. It has a diameter of only 60mm making this fixture a contemporary addition to any interior. Available in custom length from 140mm to 4000mm. Cilindretto is ideal for use in multiple applications as an individual light source or mounted in a cluster as a statement piece. Custom finishes are available for special projects. Cilindretto is also available for use with the a variable White WIFI LED lamp allowing you to dim and change the colour temperate from 2700 – 6500 Kelvin, remotely via your smartphone or tablet.

IP20   **CE**
