

Assembly is required by the end user.

This product is not a pre-wired or assembled electrical light.

Ensure installation complies with local safety standards.

Care instructions: Clean gently using a microfibre cloth.

Due to the manufacturing process, some minor surface imperfections are to be expected and add to the beauty of each piece.

### DESIGN NOTES

The Arielle Wall Light is a sculptural 3D-printed design inspired by the delicate curves of a seashell and the soft folds of fabric. Crafted from a white material that appears solid yet subtly translucent, it gently diffuses light, casting a warm, inviting glow.
