

Assembly is required by the end user.

This product is not a pre-wired or assembled electrical light.

Ensure installation complies with local safety standards.

Care instructions: Clean gently using a microfibre cloth.

Due to the manufacturing process, some minor surface imperfections are to be expected and add to the beauty of each piece.

DESIGN NOTES

A delicate take on our best-selling Eloise Light, the Petite Eloise Wall Light retains the signature elegance of three interwoven loops in a more compact form. Designed to cast soft, sculptural shadows, its fluid shape creates a sense of movement and lightness, perfect for intimate spaces or layered lighting compositions.

Available in speciality Pink (pictured) for a warm, playful glow—mirroring the original Eloise. 3D printed in-house using 100% plant-based PLA.

PRODUCT DETAILS

Dimensions (cm)	130mm H x 75 D (at widest point) x 190mm W
Application	Indoor
Material	Material: Biosourced PLA derived from sugar cane. PLA is non-toxic, plant based and biodegradable under the right conditions.
